# CLAVA UP WOOD

Designed by Søren Ravn Christensen

## SPRUCE UP THE WALLS WITH RAYS OF LIGHT

UMAGE is extending the sculptural Clava collection with a new variant for the wall, called Clava Up wood. The recognizable shape made from laser-cut wood lamellae is designed to illuminate home with a playful flash of light on the walls in the surrounding space.

Clava Up wood is available in oak, dark oak and black oak in two different sizes.

The wall lamp will become the perfect add-on to a beautiful gallery wall or hanging side by side in a long hallway.
