

A-Tube Nano, Design by Studio Italia Design

Model A-Tube Nano large

A-Tube Nano is a suspension light which interprets light in its simplest form by creating a thin luminous line in the living spaces. At the lower end of the lightweight aluminium structure, a transparent methacrylate diffuser houses an LED module whose light creates a soft, welcoming atmosphere. The three sizes and six statement finishes, allow to create clusters of evocative lighting.

A-Tube Nano large	Light source	Structure: Metal	Diffuser: Methacrylate	Cable	Code 2700 K	Code 3000 K
