Model Laser 10 × 10 LED

Laser is a compact, versatile light fixture in the shape of a box with an attractive architectural look. From its painted steel structure, available in three different finishes, the LED light source diffuses a functional and evocative two-way light that creates plays of light and shadow on the wall.
Laser 10 × 10 LED	Light source	Structure: Metal		Code 2700 K	Code 3000 K
	LED 2700 K 16 W 1750 lm 220–240 V CRI 92 MacAdam 3–Step		Matte White – 9010	03652 1027	03652 1030
